

Dear Colleague,

I Hope this message finds you well wishing you a good new year full of success.

Higher Institute of Technological Studies of KEF is a Public Tunisian multi-discipline Institute that contain four departments (Computer Science, Mechanical, Electrical and Economic) (<http://www.isetkf.rnu.tn>).

Internationalization is one of the strategic goals in our Institute. International cooperation gives an opportunity to introduce new approaches, tools, and training courses. That is why our Institute is actively looking for new partnerships for cooperation in projects of Erasmus+ Programme. International cooperation and projects, such cooperation will not only benefit for us, but also for our partners.

Presently we are involved in Erasmus mobility program under the Key-Action 1. It is in this context of internationalization, we are reaching out to your University to authorize your interest through bilateral collaboration agreements in Erasmus+ partnership, more specifically under Key-Action 1 – Mobility of teachers and students and we are asking for your collaboration in our proposal.

We would like to invite you to join us in our consortium, in order to create a strong partnership that will succeed in being funded from the EU.

We are looking forward to a positive reply, so we can proceed with the next steps of the project development.

For any question or clarification, please do not hesitate to contact us.

Best regards,
