

English Learning Summer Camp

Business School PAR
Rijeka, Croatia

English Learning Summer Camp

By Business School PAR

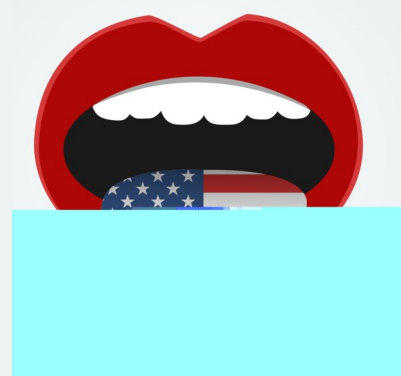

- It is based on the idea of an American educational camp
- Learning of English language outside a typical school environment
- Learning of the language with the native speakers of American English
- Activities for development of motoric skills through sport activities
- Development of social and communicational skills, as well as intercultural skills
- Development of creative abilities through the creative workshops

The English Learning Summer Camp is developed especially for high school students aged 14—18 and college students. It includes learning the **American variety of English Language** through **language and cultural interaction**.

The program is led by a professor of English and Spanish from the USA, and USA students as Teaching Assistants.

THE PROGRAM INCLUDES:

- 45 hours of English language learning
- Creative problem solving
- Thematic activities every day
- 3 trips
- International culture and customs
- International Food Day

PROGRAM FEE: 430 EUR+ VAT

THE FEE INCLUDES:
